

South Devon Choir

Safeguarding policy

Updated: March 2026

Introduction

This safeguarding policy outlines the measures and procedures in place to ensure the safety, well-being, and protection of all members of South Devon Choir. We are committed to creating a safe and respectful environment where every participant feels valued and secure.

Scope

This policy applies to all members, volunteers, and any other individuals involved with the choir. It covers activities, rehearsals, performances, and any other events or engagements. South Devon Choir does not promote itself as an activity suitable for children and the current requirement is that members are at least 16. There may however be at-risk adults who join the choir.

Choir rehearsals and performances are group activities, and there is no requirement for a member of the choir to be alone with another member of any age. The Choir is aware that children and adults at risk may attend their concerts as members of the audience, or attend social functions hosted by the Choir, when it is the responsibility of the parent, guardian or carer to ensure adequate supervision. South Devon Choir recognises the need to safeguard any vulnerable members or people attending concerts.

Safeguarding Principles

Respect: Every member should be treated with respect and dignity.

Equality: All practices should promote inclusivity and equality, ensuring no discrimination on the grounds of age, gender, ethnicity, disability, or any other characteristic.

Confidentiality: Members' personal information should be handled in the strictest confidence.
